## ***Grow Music Presents Sponsorship Opportunity***

Grow Music Missoula fosters personal growth, connection, and belonging through youth-centered musical development. Since 2016, Grow Music has been a vibrant part of Missoula, supporting arts education. Performances have included Out to Lunch, Family Friendly Friday at the Top Hat, River City Roots Festival, MCPS Concerts, Missoula Manor, and the Wilma Theater. Our most recent recital had 52 performers and over 250 attendees!

***Grow Music Presents is a performance series featuring the talents of local youth.***

Your sponsorship covers overhead costs and Guest Artist fees, allowing the series to be offered free-of-charge to the community.

***Grow Music Presents*** benefits young musicians, the arts community, and general public by:

- Hosting free-of-charge community concerts, open to all, that showcase and celebrate the hard work and talents of local youth. *It is the only series of its kind in Missoula.*
- Each concert features a professional Performing Artist presenting solo or ensemble works and performing side-by-side with young musicians. These concerts provide the students with memorable performance experience, valuable personal growth, and inspiration.
- Creating opportunities for attendees to support the ***Grow Music Buddies*** scholarship fund.
